What is Earth?

Earth is a place full of pollution.  
The cycle never stops; we need resolution.  
Trash on the streets everyday;  
We need a solution for the Chesapeake Bay.

What is Earth?

Earth is my home. I love it so much.  
I wish people would stop giving it the hurting touch.  
Violence and pollution are the reasons for this pain.  
When people die it leaves our hearts stained.  
What is Earth?  
This is Earth.  
My home -- the planet full of hurt.
